**EACH YEAR**

**OVER £3.5 MILLION**

**Hospice Care** provides professional services to over 350 patients and their families and needs appropriately qualified staff to meet these demands.

In order to recruit and retain staff, our doctors and nurses, including our own Hospice Specialist Palliative Care Nurses and Hospice at Home nurses receive the same rate of pay as their DHSS colleagues.

Our other specialist professional staff, such as social workers, physiotherapists, occupational therapists and counsellors are employed by Hospice Care.

Whilst we strive to make savings by utilising our volunteer workforce, we still need paid staff in areas such as administration, maintenance, kitchen, laundry, etc – again all paid for by Hospice Care.

Beds, linen, food, medical and nursing equipment, gas, electricity, insurance, furnishings, telephones, computers, buildings maintenance are also paid for by Hospice Care.

## HOW CAN YOU HELP?

**For just £15 a year** you can become a Member of Hospice Care, although you can elect to pay more if you wish.

**You can support** some of our many fundraising activities organised throughout the year and published in our newsletter, which is issued **FREE** to all our members.

**You can treat yourself** to one of our complementary therapies, provided by our own highly skilled, qualified team of therapists within Hospice. **ONLY** patients and their relatives and Members of Hospice Care are eligible to use these excellent facilities. Obviously, these services are offered **FREE** to our patients and their families. Members are asked to pay for their treatments but in doing so, they help subsidise the cost of providing complementary therapies **FREE** to our patients.

**PLEASE COMPLETE** the form overleaf and start helping **HOSPICE CARE** today.
