Trip Out

Planned Trip Out – Our patients love to get out and about so we provide transport in our Scholl Centre Hospice bus. All trips are designed around, and originate from our patients' choice e.g. museums, art galleries, craft events, historical sites or afternoon tea to name but a few.

Aim – Our ethos is to give our patients social enjoyment and camaraderie with fellow patients. Caring relatives benefit from a few free hours to attend to their own needs.

Staffing – All excursions are led by trained nurses and our volunteers assist to provide care for our patients who may need help to walk.
