Scholl Day Centre

Day Therapy Session

Thank you for your generosity

Scholl Centre Day Therapy Unit Session

Time: 10.00am - 3.00pm

Transport – Transport can be arranged for those with limited mobility in our Hospice bus kindly sponsored by The Scholl Foundation.

On Arrival – Our volunteers will meet and greet patients with freshly baked biscuits and a warm smile. Access to manicure, massage, hairdressing, gardening and relaxation is available in the morning. A range of art and creative classes are run by staff, and our artist in residence. This includes painting silks, glass, and also gardening, baking and complementary therapies. Spiritual support and counselling can be given if needed.

Lunch – We provide a three course lunch, allowing for patients with special dietary requirements. An aperitif is on offer to stimulate the appetite.

Afternoon – Each day there is a planned activity, whether it be a guest speaker, professional advice and education, baking, group relaxation or a pamper session – there is something for everyone!

Afternoon Tea – Freshly baked cakes and tea are served before leaving the Scholl Centre

Staffing – We have qualified nurses and experienced health care assistants who are there to provide advice and support throughout the day.

Surroundings – The Scholl Centre Day Unit is modern and airy. It includes a library, dining area, lounge and conservatory. Disabled access is available in all areas including our hair salon.

£140

Hospice provides compassionate care for all those with life limiting illnesses at no cost to patients or their families on the Isle of Man.

The Scholl Day Centre offers support and advice in an informal and friendly manner. Your gift has helped us provide a full day session for our patients.
