Day Time Shift

Thank you for your generosity

Day Shift

Times: Shifts vary but can be 9am-4pm, 10am-6pm, 11am-7pm

Play Activities – These could include arts and crafts, baking, Dream Room (multi-sensory room), games, Wii, laptop, music, board games, puzzles, DVD, storytelling, acting, massage to hands or feet, pamper sessions e.g. foot spa, make up and nails, trips out on Lady J's bus.

Meals – Provided by our kitchens. Staff assist our children to eat or special feeds are given to them via their gastrostomy tube.

Bath – Our Jacuzzi bath or special wet room with shower (2 staff members present). For some children 3 staff are required for moving and handling and hoists etc.

Medication – Our registered nurses will administer medications to the children if required particularly if it can take a while to administer. This will allow the parents/carers a break from their normal routine.

Staffing – For every child there is an allocated member of staff. On any shift there is always a Registered Nurse for every 4 children, this may depend on a child's needs.

Surroundings – This includes heating, electricity, equipment, food, toiletries and consumables e.g. paint toys, and also toiletries & nappies.
