## Sibling Group

Patient's brothers and sisters can come and play at Rebecca House or often get taken out for a few hours. Sibling groups are held three times a year and are split into age groups.

**Aim** – Is to give the siblings a good time but also allow them to talk to staff about any worries of issues they have concerning their ill sibling. We discuss how this impacts on them and their family. The staff running the group have all attended advanced communication sessions. This will also include a member of the team who has a diploma in child counselling.

**Staffing** – Required for sibling groups is a minimum of two Nursery Nurses.

**Surroundings** – This includes heating, electricity, equipment, food, toiletries, consumables and petrol.

**£70**
