Tea Time Session

Time: 3.30-7.30pm or 4-8pm

Play Activities – Could include arts and crafts, baking, Dream Room (multi-sensory room), games, Wii, DVD, storytelling, acting, massage to hands or feet, pamper sessions e.g foot spa, make up and nails,

Meal – Provided by our kitchens. Staff assist our children to eat or they are given special feeds via their gastrostomy tube.

Bath – Our Jacuzzi bath or special wet room with shower would be used with 2 staff members present. For some children 3 staff are required for moving and handling and hoists etc are available to ensure children are moved safely & compassionately.

Medication – Our registered nurses will administer medications to the children if required particularly if it can take a while to administer. This will allow the parents/carers a break from their normal routine.

Staffing – For every child there is an allocated member of staff. On any shift there is always a Registered Nurse for every 4 children. Depending on a child's needs they may require 2/3 staff per shift.

Surroundings – This includes heating, electricity, equipment, food, toiletries and consumable e.g. paints toys, and also toiletries & nappies.
