care for our community

Hospice at Home

3 Hours of Care

Thank you for your generosity

Hospice at Home

Your gift will pay for an experienced palliative care registered nurse to spend 3 hours in a patient's home.

During that visit the nurse will provide one-to-one nursing care and advice to the patient and family.

She will be able to administer prescribed medication, help relieve any symptoms the patient may experience and provide comfort and care. The family will feel that their loved one is in good hands.

£60

Hospice provides compassionate care for all those with life limiting illnesses at no cost to patients or their families on the Isle of Man.

Your gift has helped to provide a Hospice at Home visit with a patient that needs care. Thank you.
