Hospice at Home

Night Shift

Thank you for your generosity

Hospice at Home

Your gift will pay for an experienced palliative care registered nurse to spend a night in a patient's home (10pm -7am).

During that visit the nurse will provide one-to-one nursing care and advice to the patient and family.

She will be able to administer prescribed medication, help relieve any symptoms the patient may experience and provide comfort and care during the night time hours.

£180

Hospice provides compassionate care for all those with life limiting illnesses at no cost to patients or their families on the Isle of Man.

Your gift has helped to provide a Hospice at Home visit with a patient with a life limiting illness. Thank you.
