Palliative Care Clinical Nurse Specialist Team

Hospice Isle of Man employs a team of six dedicated senior nurses known as Palliative Care Clinical Nurse Specialists (PCCNS). We visit people in their own home, care homes and also in Noble's and Ramsey District Cottage Hospitals. We work closely with GPs, hospital consultants and other health professionals in the hospitals and in the community.

Your gift will pay for a visit from a member of our team. During that visit the nurse will assess the patient's symptoms and advise on the management of their illness. They will listen to and help address any concerns that the patient and their family may have. Putting the patient first is our priority.
