their cancer
treatment.**

Contact: 647400.

**You do not need to be
a Hospice patient to
use this service.**

You do not need to be a Hospice patient to use this service.

Drop in Days are special because you may visit the centre without an appointment first. You can use the Drop in Day as somewhere to relax, be with other people or have a cup of tea especially if you are attending hospital appointments. If you wish to bring a friend or relative with you, they will be made welcome. You can look at our comprehensive information library both on line and in the form of leaflets and books and take the information you require away with you.

If it is felt that one or more of our services may help you, further appointments will be arranged to fit in with other commitments you may have.
